- Keerti Nagar Vijayapura, Karnataka 586101

## PROFILE SUMMARY

I'm Sagar, currently pursuing Full Stack Development and in my 5th semester of a diploma program. I've gained a strong foundation in Java and Spring Boot, enabling me to build dynamic web applications. I'm passionate about problem-solving and constantly learning new technologies on my own. I enjoy applying my knowledge to real-world projects and continuously improving my skills.

## EDUCATION

### GOVERNMENT POLYTECHNIC COLLEGE

- Diploma in Computer Science & Engineering
- 2022 – Present (5th sem)

## SKILLS

- Proficient in full-stack development using Java and Spring Boot
- Experience with front-end technologies such as HTML, CSS, JavaScript, and React
- Skilled in working with databases like MySQL and MongoDB
- Familiar with Git

## CERTIFICATIONS

- Responsive Web Design from freecodecamp
- 160 hrs of Internship Program on Web Development
- 240 hrs of Internship Program on FrontEnd Development

## WORK EXPERIENCE

### Web Dev Workshop

2030 - PRESENT

Innovatum | 2022

- Participated in a 2-day workshop focused on fundamental web technologies.
- Contributed to setting a milestone in the India Book of Records for the highest number of websites launched in a single day.
- Acquired practical experience in HTML, CSS, and JavaScript.
- Collaborated with fellow attendees to create various websites.

### Web Dev Intern

Arlig technologies | 2023 July - September

- Completed an internship focused on enhancing my skills in HTML, CSS, and JavaScript.
- Assisted with front-end development tasks and contributed to small projects.
- Worked on creating responsive web interfaces to improve user experience.
- Contributed as a team member in a final project competition, where we emerged as the winners.

### Frontend Intern

Arlig technologies | 2024 May - June

- Acquired comprehensive knowledge of front-end development, emphasizing React, Progressive Web Apps (PWA), and Single Page Applications (SPA).
- Collaborated with teammates to create dynamic SPAs that significantly improved user experience.
